Hi Richard,

Wanted to confirm that you are ok with the ncea response to acc on formaldehyde. We talked about it last week and you didn't have any issues at the time.

Thanks

Kevin

Hi all,

We've drafted a response to the formaldehyde panel letter that came in (to Tina) a couple weeks ago. Both Bob and Richard were cc'd on the letter (this is the one about the NTP report, and then regurgitating several questions that have been asked by ACC previously). The letter isn't in CMS.

Given the CC's to Bob and Richard, we wanted to give you an opportunity to look it over before getting back to ACC. Let us know if you have any questions/comments/concerns.
